

Please

Ludo

Sun falls slowly on our lonely
Goodbye-bedroom, you're my only
My last night home is first-night nervous
Take me over, remember all this 'til then...Please save this for me
I'll come back for you, love, I promise to
Please save this for me, for until I return
My love will burn and my heart will stay
My heart will stay
It's gone cold now, we'll sleep somehow
I'll be gone by first light, last chance, hold tight until then...Please save this for me
I'll come back for you, love, I promise to
Please save this for me, for until I return
My love will burn and my heart will stay
My heart will stay I lie awake and memorize your face
As you sleep next to me
The falling moon is calling me as I leave
Sunrise slowly, the road looms lonely
But I will not fail...Please save this for me
I'll come back for you, love, I promise to
Please save this for me, for until I return
My love will burn and my heart will stay
My heart will stay
Please save this for me
I'll come back for you, love, I promise to
Please save this for me, for until I return
My love will burn and my heart will stay
My heart will stay My heart will stay
