

Wormboy

Marilyn Manson

When will you realize you're already there?
So watered down your feelings have turned to mud
"Love everybody" is destroying the value of
All hate has got me nowhere
I know I'm slipping, I know I'm slipping, I know I'm slipping away
I know I'm slipping, I know I'm slipping, I know I'm slipping awayOh no, it is everything they
said it was
Oh no, I am all the things they said I was
Oh no, it is everything they said it was
Oh no, I am all the things they said I was
When you get to Heaven, you will wish you're in Hell
When you get to Heaven, you will wish you're in Hell
When will you realize, you're already here
You'll thank us now that you have crossed over
Don't pick the scabs or you will never heal
The world shudders as the worm gets it's wingsOh no, it is everything they said it was
Oh no, I am all the things they said I was
Oh no, it is everything they said it was
Oh no, I am all the things they said I wasThen I got my wings and I never even knew it
When I was a worm, thought I wouldn't get through itWhen you get to Heaven, you will wish
you're in Hell
When you get to Heaven, you will wish you're in HellOh no, it is everything they said it was
Oh no, I am all the things they said I was
Oh no, it is everything they said it was
Oh no, I am all the things they said I was
Oh no, it is said I was
Oh no, I am said I was
Oh no, it is said I was
Oh no, it is everything they said I was
Oh no, it is said I was
Oh no, I am said I was
Oh no
