

# Looking for a Reason

## Little Big Town

(Chorus:)

Lookin' for to make some sense out of nothin'

Lookin' for the hunger to hang on

Lookin' for to know if you're really worth it

Lookin' for a reason not to be gone Your signs are fadin', baby

I can't read 'em anymore

Can't you see where I'm standin', baby

I got one foot out the door

You better show me somethin' fast

'Cause my patience for you ain't gonna last

(Chorus) If there ain't nothin' there

Well, that's my time your wastin'

If you say you're givin' all you've got

Well, that's my chain your yankin'

Love is on a slippery slope

Barely hangin' on at the end of my rope

(Chorus) So tell me what you're gonna do keep me around

And baby, whatever it is you better do it now, now, now (Chorus)
