

Miyazaki

Gallant

Suicide

All the heartbreak, it like suicide, hey

You was right,

You was right to point the finger at my guilty eyes, baby

But tell me if you want me to

Put my pride and text so I can make it up to you, hey

If you want,

I can make your body tremble

If you want to

If you want,

I can make a magic poition

If you want to

If I...

No one has to know

No one has to know, oh

No no no no

(la-ba-di dat-da dat dat da-da)

(la-ba-di dat-da dat dat da-da)

(la-ba-di da-dit da-dit da-dum da-da-dum, babe)
