#1 Crush

Garbage

I would die for you, I would die for you I've been dying just to feel you by my side To know that you're mineI will cry for you, I will cry for you I will wash away your pain with all my tears And drown your fearI will pray for you, I will pray for you I will sell my soul for something pure and true Someone like youSee your face every place that I walk in Hear your voice every time that I'm talking You will believe in me and I will never be ignoredI will burn for you, feel pain for you I would twist the knife and bleed my aching heart And tear it apartI will lie for you, beg and steal for you I will crawl on hands and knees until you see You're just like me Violate all the love that I'm missing Throw away all the pain that I'm living You will believe in me and I can never be ignored I would die for you, I would kill for you I will steal for you, I'd do time for you I will await for you, I'd make room for you I'd sail ships for you, to be close to you To be a part of you cause I believe in you I believe in you, I would die for you
