## Her

## eery

```
[Verse 1]
     Thinking of her
          Her
          Her
          Her
      Her, her, her
          Her
   Her, her, her (eery)
          Her
          Her
          Her
          Her
          Her
          Her
      Her, her, her
          Her
          Her
       [Verse 2]
   The way you move
     Way you move
      Her, her, her
        Way you
     Way you move
     Way you move
        Her, her
   The way you move
     Way you move
Her, her, her, way, her, her
  Way, way you move
     Way you move
    Her, her, the way
   The way you move
     Way you move
    Her, her, her, her
     Way you move
     Way you move
        Her, her
   The way you move
     Way you move
         Her..
         Her..
   The way you move
```

## Way you move Her The way you move
