

Groovy

Pet Shop Boys

Look at me
I'm just so...
Look at me
I'm just so...
Look at me
I'm just so groovy Feeling good
In the mood
That's the state I'm in
Always will
dress to kill
Let the show begin
I've earned the moment
I've got to be seen
I'm gonna go out
and live beyond the dream
Look at me
I'm just so...
Look at me
I'm just so...
Look at me
I'm just so groovy Oh yeah! When they see
the latest me
people stop and stare
I don't mind
I'm on cloud nine
I can walk on air
I've earned the moment
I've got to be seen
I'm gonna go out
and live beyond the dream
Look at me
I'm just so...
Look at me
I'm just so...
Look at me
I'm just so groovy
