Stars over Texas (feat. Kellie Pickler)

Tracy Lawrence

As you lie in my arms Girl my heart's on my sleeve Words come so hard in moments like these There's feelings I have that are so hard to show But right now there's one thing I want you to knowChorus: As long as the tides ebb The earth turns the sun sets I promise I'll always be true And as long as there's stars over Texas Darling I'll hang the moon for you I know I have stumbled and caused you some tears When you needed me most I haven't always been here I know I'm not always the man I should be But don't ever wonder what you mean to me Repeat ChorusAnd as long as there's stars over Texas Darling I'll hang the moon for you Darling I'll hang the moon for you Song Discussions is protected by U.S. Patent 9401941.
