

# Until You're Mine

[Demi Lovato](#)

My state of mind has finally got the best of me  
I need you next to me  
I'll try to find a way that I can get to you  
Just wanna get to you  
The world I see is perfect now  
You're all around  
With you I can breathe Until you're mine, I have to find  
A way to fill this hole inside  
I can't survive without you here by my side  
Until you're mine, not gonna be  
Even close to complete  
I won't rest until you're mine  
Mine  
Alone inside, I can only hear your voice  
Ringing through the noise  
I can't find my mind, keeps on coming back to you  
Always back to you  
Wanted something out of reach  
It's killing me, you're all I see, yeah Until you're mine, I have to find  
A way to fill this hole inside  
I can't survive without you here by my side  
Until you're mine, not gonna be  
Even close to complete  
I won't rest until you're mine  
Mine  
Just stop wondering  
If we were meant to be  
Forget about faith and just hold me  
I'm ready to begin  
The waiting has to end  
Right now, today  
I've got to find a way, yeah (Mine, until you're mine) Until you're mine, I have to find  
A way to fill this hole inside  
I can't survive without you here by my side  
Until you're mine, not gonna be  
Even close to complete  
I won't rest until you're mine My state of mind has finally got the best of me  
I need you next to me
