

Shots (feat. Broiler) [Broiler Remix]

Imagine Dragons

I'm sorry for everything
Oh, everything I've done Am I out of touch?
Am I out of my place?
When I keep saying that I'm looking for an empty space
Oh, I'm wishing you're here
But I'm wishing you're gone
I can't have you and I'm only gonna do you wrong Oh, I'm gonna mess this up
Oh, this is just my luck
Over and over and over again I'm sorry for everything
Oh, everything I've done
From the second that I was born
It seems I have a loaded gun
And then I shot, shot, shot a hole through everything I loved
Oh I shot, shot, shot a hole through every single thing that I loved
Am I out of luck?
Am I waiting to break?
When I keep saying that I'm looking for a way to escape
Oh, I'm wishing I had what I'd taken for granted
I can't have you and I'm only gonna do you wrong Oh, I'm gonna mess this up
Oh, this is just my luck
Over and over and over again I'm sorry for everything
Oh, everything I've done
From the second that I was born
It seems I have a loaded gun
And then I shot, shot, shot a hole through everything I loved
Oh I shot, shot, shot a hole through every single thing that I loved
In the meantime we let it go
At the road sign we used to know
We can let this drift away
Oh, we let this drift away
At the bayside
We used to show
In the moonlight
We let it go
We can let this drift away
Oh, we let this drift away
And there's always time to change your mind
Oh, there's always time to change your mind
Oh love, can you hear me?
Oh, let it drift away I'm sorry for everything
Oh, everything I've done
From the second that I was born

It seems I had a loaded gun
And then I shot, shot, shot a hole through everything I loved
Oh I shot, shot, shot a hole through every single thing that I loved
In the meantime we let it go
At the road sign we used to know
We can let this drift away
Oh, we let this drift away
At the bayside
We used to show
In the moonlight
We let it go
We can let this drift away
Oh, we let this drift away
And there's always time to change your mind
There's always time to change your mind
Oh love, can you hear me?
Oh, let it drift away
