

BUSSIT

Dreamville & Ari Lennox

Ooh Said, "Have off my clothes when you arrive" You could seduce me with your eyes
Don't want the smoke, don't waste my time
I be open for you
Work out my spine, I need you near
You scared of love but fuck your fear
Ain't no gettin' away from this if you wanted to Flowin', changin'
Take form in his ocean (Yeah, yeah)
Like water (Water)
I run right through ya'
I know that ya' into me
You 'bout it? Then let me see
Ride, don't be scared of me
I'm rowdy as they can be
I like all the ways you do
Ooh, boy, you're killin' me
I know that you feelin' me
Bussit to the tenth degree I know that ya into me
You 'bout it? Then let me see
Ride, don't be scared of me
I'm rowdy as they can be (Yeah)
I like all the ways you do
Ooh, boy, you're killin' me (Ooh, boy)
I know that you feelin' me (Bussit)
Bussit to the tenth degree
So deep, I feel you in my mind (Oh-oh)
So good, I want it all the time (Oh-oh)
Bussit, my garden fertilize
Wanna grow with you, ooh (Ooh, ooh)
It's on, we should get it on (Baby)
'Cause shit gush, throw it all night long (Ayy)
Come first, there ain't nothin' wrong
In me is where you belong, uh I know that ya into me (Oh)
You 'bout it? Then let me see (I know)
Ride, don't be scared of me
I'm rowdy as they can be (No, no)
I like all the ways you do (I like)
Ooh, boy, you're killin' me (Yeah)
I know that you feelin' me
Bussit to the tenth degree (Yeah) I know that ya into me (Ooh)
You 'bout it? Then let me see (Ooh)
Ride, don't be scared of me (Ooh)
I'm rowdy as they can be (Ooh, ooh)

I like all the ways you do (Ooh)
Ooh, boy, you're killin' me (Ooh)
I know that you feelin' me (Ooh)
Bussit- (Ooh, ooh) Is where you should be
Is where you should be
