

Sittin' Up In My Room

Brandy

Seems like ever since, the first day we met
There is no one else I think of more than you
Can't seem to forget, can't get you out my head
Cause the verdicts in I'm crazy over you
How can one be down, tell me where to start
Cause everytime you smile, I feel tremors in my heart
I have but one concern, how can I get with you
Til my day comes, here's what I'm gonna do
Be sittin up in my room
Back here thinkin bout you
I must confess, I'm a mess for you
Be sittin up in my room
Back here thinkin bout you
I'm just a mess with a thing for you
Pray that you'll invest, in my happiness
All it takes is just one simple call from you
Turn my heart around, if I'm making ground
Pretty baby please, tell me if I'm getting through
Tell me what is up
You see I need to know
Tell if I'm far, or if I'm getting close
I have but one concern, and that one concern is you
Til I'm with you, here's what I'm gonna do
Be sittin up in my room
Back here thinkin bout you
I must confess, I'm a mess for you
Be sittin up in my room
Back here thinkin bout you
I'm just a mess with a thing for you
How can one be down, tell me where to start
Cause everytime you smil, I feel tremors in my heart
I have but one concern, how can I get with you
Til my day comes, here's what I'm gonna do
Be sittin up in my room
Back here thinkin bout you
I must confess, I'm a mess for you
Be sittin up in my room
Back here thinkin bout you
I'm just a mess with a thing for you
