In My Arms

Plumb

Your baby blues So full of wonder Your curly cues Your contagious smile And as i watch You start to grow up

All I can do

is hold you tightKnowing clouds will rage in

Storms will race in

But you will be safe in my arms

Rains will pour down

Waves will crash around

But you will be safe in my arms

Story books are full of fairy tales

Of kings and queens and the bluest skies

My heart is torn just in knowing

You'll someday see the truth from liesWhen the clouds will rage in

Storms will race in

But you will be safe in my arms

Rains will pour down

Waves will crash around

But you will be safe in my armsCastles - they might crumble

Dreams may not come true

But you are never all alone

'Cause I will always,

Always love you

Hey I,

Hey I,

When the clouds will rage in

Storms will race in

But you will be safe in my arms

Rains will pour down

Waves will crash around

But you will be safe in my arms, in my arms
