

Shut Me Down (Mixed)

Haute

You can't shut me down
You can't you can't shut me down
You can't shut me down
You can't you can't shut me down You can't shut me down
You can turn me off and I can't
Touch the ground
Why are you so rough and you can't
You can't shut me down
You can't you can't shut me down
You can't shut me down
You can't you can't shut me down Probably, You're missing me
But I can see, I've got to be by myself
I don't even think I know what day it is
I'm digging this
I'm taking this
And making bliss
From contempt
Maybe I'm crazy, you couldn't play me
You can't shut me down
You can turn me off and I can't
Touch the ground
Why are you so rough and you can't
You can't shut me down
You can't you can't shut me down
You can't shut me down
You can't you can't shut me down
Suddenly
I've got to be
Sent at sea
But part of me's
Left up on the shore
Don't come back for more
I feel like I'm gaining control
I think I just need some time to feel myself
And no one else
You can't shut me down
You can turn me off and I can't
Touch the ground
Why are you so rough and you can't
You can't shut me down
You can't you can't shut me down
You can't shut me down

You can't you can't shut me downEnd
