

# Soon I'll Be Loving You Again

Marvin Gaye

Dreamed of you this morning,  
Then came the dawn and,  
I thought that you were here with me,  
If you could only see how much I love you,  
You'd wanna trust me  
Oh in my dream I was loving you  
Every place that you wanted me to  
Since I believe in dreams and fantasies and things  
I want to make love to you right now baby  
hooo, I got a real strong need to love you everywhere  
I won't stop until I find your passion flowing like wine  
Baby, baby please let me do it to you  
(Although) I never gave up no head before  
but there's always the first you know  
So I made up my mind soon I'll be loving you  
That's all --I've rested up baby, I've made up my mind  
Soon I'll be loving, girl I know what I'm gonna do  
I can't wait to touch you  
and give you that feelin'  
eat you up my dear  
so that your mood will be revealed, and  
Baby, and soon as I know I've got you willin'  
I'm gonna give you some head baby  
I'm a knock you right up woman  
I'm gonna to give you some head, suga I know what to do  
I want to give you some head ah you big fine woman  
Soon, I'm gonna let you get it, cause I know just what to do with it  
Ah I'm gonna give the ultimate love baby the ultimate love baby  
Don't you know I can handle you  
Soon, soon, soon I'll be loving you oh Janice  
Ah, hah! Yes, you're so fine  
Oh how I love you, ahh oow!
