Hey Ma (feat. Camila Cabello)

J Balvin & Pitbull

I'm here like for one night
So we don't gotta waste time
I know that you feel it
My hands upon your waist land
So won't you, come closer
Let me know you're all mine (let me know)
Let me know you're all mine (let go)And I might stay tonight
But not for long
And I might say goodbye
Right now, baby, right nowI need you
Hey mama, hey mama, hey mama, hey ma'
I need you
Hey mama, hey mama, hey mama, hey ma'
Girl, it's getting hotter
I can't take much more
I need youHey mama, hey mama, hey mama, hey ma'
I need you
I am what they wanna be
Check the stacks
James Bond in the flesh, girl
That's a fact
I was raised by old g's
So I'm low key (uh huh)
How much you need?
And you like
"Baby believe me"
I'm a freak
That can eat, that can beat
That can treat you like that queen
That you was meant to be
Oh yeah
I'm the good, I'm that raw
Slick on the dong
With nothing to something
To had it all
Now, mami, just watch, learn and listen
I've got a feeling so good she stay switchin'But before I banish
