

Goyard Bag (feat. Lil Uzi Vert)

Fabulous

Yeah, oh
Yeah, yeahCopped the drop top Hummer for the summer yeah
Goyard bag with a hundred yeah
And I know why you mad cause I'm stuntin' yeah
Say I know I know why you mad cause I'm stuntin' yeah
Wakin' up on the hills right on Runyon yeah
Smokin' on that gas, smell like FUNYUN yeah
Like call my private chef hold my stomach in
Yeah I like 'em fried, she like 'em sunny eggs
Oh, those some runny eggs
I might flex around the world and then I start again
I might flex around your girl and then I fuck again
And the funny thing is you gon' cuff again
Yeah I advise you
Stop all the hatin' and you'll make it too
Like I done had a situation but I made it through
I paid 1000 for these shoes, for my Yeezy cuffs too
Got the drop top runnin' for the summer yeah, ay
Goyard bags full of hundreds yeah
And I know why you mad cause I'm stuntin' yeah
Say I know I know why you mad cause I'm stuntin' yeah
Wakin' up on the hills right by Runyon yeah
Smokin' on that gas, smell like FUNYUN
