Baby Bash & E-40

Excuse me miss, what's your name
I don't wanna tell you the same ol' thing
Drop, drop it low, make, make it pop,
I can do this all night shorty
I don't wanna stop I need a go girl
I need a go girl, uh
Guh, go girl, go, go, go, go, go
I need a go girl
I need a go girl (Baby Bash) Go girl, uh, a show girl, uh, go-getter, for cheddar,
Denero, dope girl, a money on the dance floor
Getting low girl, uh, a throw girl,
With game that'll make my toes curl
Cause she's a beast in the bed and I'm a beast with her
Bash be going hard, it's the headline news
She rocking the fresh js, stilettos, the Jimmy Chu's
Black white and yellow bone, watchin' what they jelly on
Bringing major fedy home oo what's poppin
