Hallelujah

Paramore

Somehow, everything's gonna fall right into place If we only had a way to make it all fall faster everyday If only time flew like a dove Will God make it fly faster than I'm falling in love? This time we're not giving up Let's make it last forever Screaming, "Hallelujah"! We'll make it last foreverHolding onto patience, wearing thin I can't force these eyes to see the end If only time flew like a dove Well, we could watch it fly and just keep looking up This time we're not giving up Let's make it last forever Screaming, "Hallelujah"! We'll make it last foreverAnd we've got time on our hands (We've got time on our hands) Got nothing but time on our hands Got nothing but, got nothing but Got nothing but time on our hands This time we're not giving up Oh, let's make it last forever Screaming, "Hallelujah"! (Hallelujah)
