

# Half of My Heart

[John Mayer](#)

I was born in the arms of imaginary friends  
Free to roam, made a home out of everywhere I've been  
Then you come on crashing in  
Like the realest thing  
Tried my best to understand  
All that your love can bring Half of my heart's got a grip on the situation  
Half of my heart takes time  
Half of my heart's got the right mind to tell you  
That I can't keep loving you  
With half of my heart I was made to believe I'd never love somebody else  
Made a plan, stayed the man who can only love himself  
Lonely was the song I sang  
'Til the day you came  
Showing me another way  
And all that my love can bring  
Half of my heart's got a grip on the situation  
Half of my heart takes time  
Half of my heart's got the right mind to tell you  
That I can't keep loving you  
With half of my heart  
With half of my heart Your faith is strong  
But I can only fall short for so long  
Down the road later on  
You will hate that I never gave more to you  
Than half of my heart  
But I can't stop loving you I can't stop loving you  
I can't stop loving you  
With half of my Half of my heart  
Half of my heart  
Half of my heart's got a real good imagination  
Half of my heart's got you  
Half of my heart's got a right mind to tell you  
That half of my heart won't do Half of my heart is a shotgun wedding  
To a bride with a paper ring  
And half of my heart is the part of a man  
Who's never truly loved anything Half of my heart
