

# I DO

Jessie Reyez

I wish five years ago  
Had an area code  
So I could get you on the phone The old you I'm lookin' for  
My favourite memory  
When you called me your majesty  
And we let this whole castle fall down  
Oh, what a tragedy Do I still live in your head?  
Do you still live with regrets?  
'Cause I do, I do  
Do you got something on your chest?  
Do you wish we weren't finished yet?  
'Cause I do, I do  
Come bring me all your sins  
I'll forgive all of them  
If you put a band-aide on the scars  
I'm no good at hidin' them  
Would you give me your heart again  
Or at least let me borrow it?  
If I could just see you we don't even have to talk  
I'll take an argument Do I still live in your head?  
Do you still live with regrets?  
'Cause I do, I do  
Do you got something on your chest?  
Do you wish we weren't finished yet?  
'Cause I do, I do All I want  
All I want is a familiar face  
'Cause I'd much rather  
Rather hurt from familiar pain  
Am I still livin' in your head?  
Do you still live with regrets?  
I do, I do  
Do you got something on your chest?  
Don't you wish we weren't finished yet?  
'Cause I do, I do I do  
I do  
I do  
I do  
I do I do  
I do  
I do  
I do  
I do

I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do  
I do
