## Cougar Huntin' (feat. Big & Rich)

## Jimmy Fallon

[Featuring: Big & Rich]I'm goin' huntin', I'm loadin' up my gun.

I'm goin' huntin', yeah. Well I'ma gonna get me some

I'm goin' huntin', got my whiskey and my beer

There's cougars a'loose in the bar and I'm goin' huntin' hereWell you know you're lookin' good

now, but your momma's lookin' finer

Well, up and down the bar she goes a'prowlin' for all to see She may not be the freshest, but the muffin' ain't stale to meI'm goin' huntin', I'm loadin' up my gun.

I know you turned 22, but I prefer a 69er

I'm goin' huntin', yeah. Well I'ma gonna get me some
I'm goin' huntin', got my whiskey and my beer
There's cougars a'loose in the bar and I'm goin' huntin' hereWell, I am just a young buck, but I
got you in my sight

I'm gonna bag you and stuff you when we get home tonight

Not gonna lead you on 'cause that's not my trip

But I think there's more cougars here then a Mercury dealership

I'm goin' huntin', I'm loadin' up my gun.

I'm goin' huntin', yeah. Well I'ma gonna get me some

I'm goin' huntin', got my whiskey and my beer

There's cougars a'loose in the bar and I'm goin' huntin' here

There's cougars a'loose in the bar... and I'm goin' huntin' here.
