## **Not Gonna Die**

## **Skillet**

Death surrounds

My heartbeat's slowing down

I won't take this world's abuseI won't give up, I refuse

This is how it feels when you're bent and broken

This is how it feels when your dignity's stolenWhen everything you love is leaving

You hold on to what you believe in

(The last thing I heard was you whispering goodbye

And then I heard you flat line)

No, not gonna die tonight

We're gonna stand and fight forever(Don't close your eyes)No, not gonna die tonight

We're gonna fight for us together

No, we're not gonna die tonightBreak their hold'Cause I won't be controlledThey can't keep their chains on me

When the truth has set me free

This is how it feels when you take your life backThis is how it feels when you finally fight back

When life pushes me I push harder

What doesn't kill me makes me stronger

(The last thing I heard was you whispering goodbye

And then I heard you flat line)

No, not gonna die tonight

We're gonna stand and fight forever

(Don't close your eyes)

No, not gonna die tonight

We're gonna fight for us together

No, we're not gonna die tonight

Don't you give up on me

You're everything I need

This is how it feels when you take your life back

This is how it feels when you fight back

No, not gonna die tonight

We're gonna stand and fight forever

(Don't close your eyes)

No, not gonna die tonight

We're gonna fight for us together

No, we're not gonna die tonight

No, we're not gonna die tonight

Not gonna die

(Not gonna die)

Not gonna die

(Not gonna die)

Not gonna die tonight
