## Wild Days

## Fool's Garden

(Hinkel / Freudenthaler) The sky's blue The water's blue too My baby's walking away Out of the blue? into a fuckin' day She feels good and she feels sorry for me She tells me "honey don't worry" But I am so confused my baby's walking, walking awayIt don't mean nothing to me You don't mean nothing to me? stay! And think about the Wild, wild days Don't you feel like I feel? Wild, wild days Is it a dream is it real? Wild, wild daysSitting in the middle of the battlefield, my baby is walking away All the wounds that could have been healed But my baby is walking away I bought you flowers I buttered your bread I washed your car Don't you remember you said you would love me till the end And now you're walking away It don't mean nothing to me You don't mean nothing to me? stay! And think about the Wild, wild days Don't you feel like I feel? Wild, wild days Is it a dream is it real? Wild, wild daysIt's too late, it's time for you to wake up She don't need flowers only diamonds and make-up So sorry but now she's on my mind Talk about the Wild, wild days Don't you feel like I feel? Wild, wild days Is it a dream is it real?
