

# Empty Wallets

## 5 Seconds of Summer

Stop digging in your heart 'cause tonight is on me  
Tonight is on me  
Stop trying so hard is what you said to me, what you said to me  
Get too high when I'm high  
So we see eye-to-eye, woah, oh  
Think the high out with the low  
And away and away we go  
Living our lives  
Dancing on empty wallets  
Spend it all on you  
Spend it all on you  
Until we die  
Dancing on empty wallets  
Spend it all on you  
Spend it all on you  
We got a whole night, won't you spend it with me?  
Live it with me?  
We got our lives, but living ain't cheap  
Living ain't cheap  
Get too high when I'm high  
So we see eye-to-eye, woah, oh  
Think the high out with the low  
And away and away we go  
Living our lives  
Dancing on empty wallets  
Spend it all on you  
Spend it all on you  
Until we die  
Dancing on empty wallets  
Spend it all on you  
Spend it all on you  
Sugar caught a break  
The fluid ain't to blame  
For the sugar causing pain  
Living our lives  
Dancing on empty wallets  
Spend it all on you  
Spend it all on you  
I always believed in second chances  
I always believed in you  
I always believed in second chances  
I always believed in you  
Living our lives  
Dancing on empty wallets  
Spend it all on you  
Spend it all on you  
Until we die  
Dancing on empty wallets  
Spend it all on you

Spend it all on you Sugar caught a break  
The fluid ain't to blame  
For the sugar causing pain Well living our lives  
Dancing on empty wallets  
Spend it all on you  
Spend it all on you
