

# Another Lonely Night (Oliver Moldan Remix)

**Adam Lambert**

Alone in the dark  
Hole in my heart  
Turn on the radio  
And the words fall out  
But they got no place to go  
Wasted on you  
High on the fumes  
Know I should let you go  
But the world won't stop  
And all I got is your ghost, oh, oh oh  
Another day  
Another lonely night  
I would do anything to have you by my side  
Another day  
Another lonely night  
Don't wanna throw away another lonely life  
No time to sleep  
All that I see  
Are old memories of you  
Yeah I try my best  
But there's no one left for me to lose  
Tear in my eye  
I drive through the night  
As far as I can from you  
And I don't give a fuck if the sun comes up, yeah  
It's just another  
Another day  
Another lonely night  
I would do anything to have you by my side  
Another day  
Another lonely night  
Don't wanna throw away another lonely life  
No, I don't give a fuck if the sun comes up, yeah  
It's just another  
Another day  
Another lonely night  
I would do anything to have you by my side  
Another day  
Another lonely night  
Don't wanna throw away another lonely life
