

# The Knowing

## The Weeknd

I know, what you did  
I know  
So I'mma let you  
Taste her...  
I ain't washing my sins  
i ain't washing my sins  
Now we're lying about the nights  
Hiding all it behind the smiles  
Take a look at what you did  
You probably thought that you'd break my heart (Oh oh oh oh)  
You probably thought that you'd make me cry  
But baby its okay  
i swear its okay  
Cuz I know everything  
I know everything  
I know everything  
I know everything  
Now these tongues don't twist like they did before  
Trying to keep me up  
And you are dry  
But baby it don't hurt  
Ohh like you thought it would  
The more of you the merrier  
Now we're lying about the nights  
Hiding all it behind the smiles  
Take a look at what you did  
You probably thought that you'd break my heart  
You probably thought that you'd make me cry  
baby it's okay,  
it's okay  
I know everything  
everything  
i know everything  
everything  
I know everything
