

# Where Do We Begin Now

[Alicia Keys](#)

What they're gonna do 'cause we're the same sex?  
And we're spending all this time  
This could be the love we ain't made yet  
Even though it's on my mind  
We ain't even had a conversation  
But do you wanna testify? How will I know this love is strong?  
How would it tell when it goes wrong? Where do we begin now?  
Where do we begin now?  
What will we tell our friends now?  
I had a dream about you last night  
Then it kinda blow my mind  
All I really know is that it feels right  
And I gotta live my life  
We ain't even had a conversation  
Let me be the first to testify How will I know this love is strong?  
How would it tell when it goes wrong? Where do we begin now?  
Where do we begin now?  
What will we tell our friends now?  
I'm gonna let you know, gonna let you know  
I'm gonna let you know  
I'm gonna let you know, gonna let you know  
I'm gonna let you know
