Any Dream Will Do

Donny Osmond

I closed my eyes
Drew back the curtain to see for certain
What I thought I knew
Far Far away
Someone was weeping
But the world was sleepingI wore my coat
With golden lining
Bright colors shining
Wonderful and New
And in the East
The Dawn was breaking
And the world was waking
A Crash of Drums
A Flash of Light
My Golden Coat throughout a site
The Colors faded into darkness
I was left aloneMay I return
To the beginning
The light is thinning
An the dream is too
The World and I
We are still waiting
And hesitatingA crash of Drums
A Flash of Light
My golden coat throughout a site
The colors faded into darkness
I was left alone
May I return
to the Beginning
The light is thinning
And the Dream is too
The World and I
We are still waiting
Still hesitating
