

# Rest of My Life (feat. Usher & David Guetta)

## Ludacris

If you live for something  
You're not  
Alone, my friend  
So fill up your cup and  
Lift your lighter  
And toast to lifeLuda!  
They say what don't kill me  
Can make me stronger  
So two drinks a night  
Should help me live longer  
I blow some smoke  
Just to give my lungs a test  
Cause why tip-toe through life  
To arrive safely at death  
I'm on a journey  
Yeah, I'm on a roll  
Sometimes gotta close my eyes  
Just to open my soul  
And tonight is the night  
I gotta feeling that I'm about to act a fool  
So if you go fix some drinks  
Me and Usher are about to break some rules  
That's somewhere to go  
But the world is moving slow  
I was born for the fast life  
I go for broke  
A lesson I can't afford  
But for what it's worth I'm ready to pay  
For the rest of my life  
For the rest of my lifeFor the rest of my lifeIf I got one life to live  
I'm a party 'til I'm dead  
What the hell is a life worth living  
If it's not on the edge  
Tryna keep my balance I'm twisted  
So just in case I fall  
Written on my tombstone should say  
Women, weed and alcohol  
That's somewhere to go  
But the world is moving slow  
I was born for the fast life  
I go for broke  
A lesson I can't afford

But for what it's worth I'm ready to pay  
For the rest of my life  
For the rest of my life If you live for something  
You're not  
Alone, my friend  
So fill up your cup and  
Lift your lighters  
And toast to life Yeah, I'm stuck in this moment  
Freeze the hands of time  
Cause I feel inner peace  
When I'm outta my mind  
And you can call me crazy  
But I like to roll the dice  
So I'm willing to bet that I'm a be crazy  
For the rest of my life  
For the rest of my life  
For the rest of my life  
For the rest of my life
