

Rebel Rebel 88

KB

This ain't nothin' to me
You can write the rules, we never do 'em
You put up the walls and we'll go through them
 Yeah, we'll refuse
 No, we won't do it
 No, we won't do it
Do it, do it, do it88 88, rebel rebel 88
Everyday, everyday, rebel rebel 88
 88 88, rebel rebel 88
 88 88, rebel rebel 88
Young rapper with a conscious
Native North got the compass
 You not Jesus, boy, stop it
What you see, you can't comment, get it
 What you see, you can't comment
Over my dead body, you can have all of my money
 Before you gon' get my obedience
 I am American, Black is my heritage
 But, before that, I'm a child of the kingdom
 And that is my country, that is my country
We have a leader and none of your votes are persuadin' Him either
Give my taxes to Caesar, but not my allegiance
 Who are you loyal to?
Rebel, rebel, rebel, rebel, rebel, rebel boy
 Never Bevel, sharp as ever, never settle
 Long as He is roll stone the pedal boy
 My God, Democrat or Republican
 Know that God isn't none of them
 Oh, you lovin' your party?
 Can you love folk, regardless?
We gon' love the people that you never had the time for
You forgot 'em, I'ma find 'em, I'ma guide 'em, 9-to-5 'em
 God will crown them, God will crown them
Rebel the norm, embrace the scorn, rebel the porn
You been warned, we won't conform, that's it
 Yeah, this ain't nothin' to me
You can write the rules, we never do 'em
You put up the walls and we'll go through 'em
 Yeah, we'll refuse
 No, we won't do it
 No, we won't do it
Do it, do it, do it88 88, rebel rebel 88

Everyday, everyday, rebel rebel 88
88 88, rebel rebel 88
88 88, rebel rebel 88I might buy a condo in Miami now
Make it free for Refugee family now
Went to Bible College with no plan b boy
Simple rap for money and we, and we, and we've done it
My brother still in the field payin' money
Choice between two evils on my people, I'm rebelling
This is what I live for homie, this the hill I'm buried on
If Jesus is the truth, one of us is very wrong
Know that our God reigns, precipitates grace
As the day that the fall came
Abel, the call came for the fame, he parts ways
Broke in the arcade, not a token for y'all games
Only one mantra, HGA to the coffin
Holding this with no option
Are you finished or done?
I am merely a sinner
I'm just really forgiven
Respect our existence, respect our existence
Or expect our resistance, yeahThis ain't nothin' to me
You can write the rules, we never do 'em
You put up the walls and we'll go through 'em
Yeah, we'll refuse
No, we won't do it
No, we won't do it
Do it, do it, do it88 88, rebel rebel 88
Everyday, everyday, rebel rebel 88
88 88, rebel rebel 88
88 88, rebel rebel 88
