

Her Own Kind of Beautiful

Chris Lane

Ball cap to a flip flop
A toe ring to the tip top
From hagard to the Hip-Hop
She can play either side of a bad cop, good cop
From a sun dress to her sunday best
A cover girl type or just a hot mess
Oh my my yeah
Shes the girl that got my heart beatin out of my chest
Shes a blue jean roll sweet supermodle
Like a stained glass rain from a broken bottle
Make ya promise she wont
But she know she gonna
Yeah shes her own kind of beautiful
Shes a roman candle shes a tin revival
Shes a needle dancin on clasic vinal
She a sunset wish with a ten mill smile
Her own kind of beautiful
Beautiful
A hello yeah just clicked
So she settled in for a slow sip
And when we leave in a little bit
All the other guys will be so pissed
Shes an blue jean roll sweet supermodel
Like a stained glass rain from a broken bottle
Make ya promise she wont
But she know she gonna
Yeah shes her own kind of beautiful
Shes a roman candle shes a tin revival
Shes a needle dancin on clasic vinal
She a sunset wish with a ten mill smile
Her own kind of beautiful
Beautiful
You're beautiful
From her sundress to her sunday best
That maybelline red lip gloss kiss
Oh my, my yeah
Shes the girl that got my heart beatin out of my chest
Shes an blue jean roll sweet supermodel
Like a stained glass rain from a broken bottle
Make ya promise she wont
But she know she gonna
Yeah shes her own kind of beautiful

Shes a roman candle shes a tin revival
Shes a needle dancin on clasic vinal
She a sunset wish with a ten mill smile
Her own kind of beautiful
(Ball cap to the flip flop)
Beautiful
(A toe ring to the tip top)
You're beautiful
(From Hagard to the Hip-Hop)
Yeah her own kind of beautiful
Shes a roman candle shes a tin revival
Shes a needle dancin on clasic vinal
She a sunset wish with a ten mill smile
Shes her own kind of beautiful
