

Fuck They

Sofi Tukker

I don't give a fuck about they
I don't give a fuck about they Oh, they put me up and me down
Tie on me slowly
After that, after they
Nothing is holy
Play the freak, pray for weeks
Smooth out my body
'Cause after all Deep down, underworld
Don't disrupt we got
All these rules that everyone keep making up
Who the fuck is they? I wanna met with them
I wanna be real nice, I wanna be their friend
We gonna get real close
We gonna have a moment that we say goodbye
I don't give a fuck about they I don't give a fuck about they
(Who's they?)
Who gives a fuck about they?
(Who's they?)
I don't give a fuck
(They don't even give a fuck)
They don't even give a fuck
(Who's they anyway?) I don't give a fuck about they
(Who's they?)
Who gives a fuck about they?
(Who's they?)
I don't give a fuck
(They don't even give a fuck)
They don't even give a fuck
Oh my
What a time, what a vibe
And we are hardly, hardly beginning
Oh, this party
We got us, we got they, we got an army
Oh, 'cause we know Deep down, underworld
Don't disrupt we got
All these rules that everyone keep making up
Who the fuck is they? I wanna met with them
I wanna be real nice, I wanna be their friend
We gonna get real close
We gonna laugh all night
We gonna have a moment that we say goodbye I don't give a fuck about they I don't give a fuck
about they

(Who's they?)
Who gives a fuck about they?
(Who's they?)
I don't give a fuck
(They don't even give a fuck)
They don't even give a fuck
(Who's they anyway?)I don't give a fuck about they
(Who's they?)
Who gives a fuck about they?
(Who's they?)
I don't give a fuck
(They don't even give a fuck)
They don't even give a fuckI don't give a fuck about they
(Who's they?)
Who gives a fuck about they?
(Who's they?)
I don't give a fuck
(They don't even give a fuck)
They don't even give a fuck
(Who's they anyway?)I don't give a fuck about they
(Who's they?)
Who gives a fuck about they?
(Who's they?)
I don't give a fuck
(They don't even give a fuck)
They don't even give a fuckI don't give a fuck about they
