Let's Love

David Guetta & Sia

Let's love
Let's love
Let's love
Let's love
Let's loveI will never leave your side, my love
Standing right beside you is enough
Call on me if you feel any pain
Call to me, I'll run to you againYou can count on me
And I can count on you
You show up like I show up
And I keep showing up for you
So take my hand, don't be afraid
This too shall pass
This too shall pass
And we'll get through it all together
We'll get through it all together
Swear you're safe
This too shall pass
This too shall pass
This too shall pass
And we'll get through it all together
We'll get through it all togetherLet's love
Let's love
Let's love
Let's love
Let's love
Let's love
And we'll get through it all together
We'll get through it all together
Let's love
I will never leave your side, my love
Standing right beside you is enough
You can count on me
And I can count on you
You show up for me, I show up for you
And I keep showing up for youSo take my hand, don't be afraid
This too shall pass
This too shall pass
And we'll get through it all together
We'll get through it all together
Swear you're safe
This too shall pass

This too shall pass
This too shall pass
And we'll get through it all together
We'll get through it all togetherLet's love
Let's love
Let's love
Let's love
Let's love
Let's love
And we'll get through it all together
We'll get through it all together
Let's love
Let's love
Let's love
Let's love
