

Bang! Bang!

Joe Cuba

Bang bang bang
Bang bang bang
Is it the way that you're movin'
The way that you're makin' my heart beat
Is it the sound of your voice
The way that you're talkin' to me
Is it the scent of your hair The look of your smile, I don't know
Is it the way that you're dressed
You believed you're the best
No, I think it's the look in your eyes
Bang, bang, bang You drive me insane, sane, sane
Bang, bang, bang
Bang, bang, bang, insane, sane, sane
Bang, Bang
Na, na
Bang, bang It it the look of your face
I'm Losin' my base (can't see you)
Is it the style of your walk
Or the way you talk, I don't know
Is it the way that you're dressed, That you believe you're the best
No, I think it's the look in your eyes
Like bang, bang, bang
Bang, bang, bang, insane, sane, sane
Bang, Bang
