

# Rick James (feat. Juicy J)

## Keyshia Cole

Why does it matter now  
Who can do you better  
Feet up on your couch  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Slap a bitch like Rick James  
I'm Rick James I gave you all my love  
Who's the one whose hurting now  
But you can't keep your double standards  
Is funny how the tables turned around  
Oooh Bring em out out out out  
Oooh Right now now now now  
Oooh Bring em out out out out  
Oooh Right now now now now  
Why does it matter now  
Who can do you better  
Feet up on your couch  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Slap a bitch like Rick James  
I'm Rick James Why does it matter now  
Who can do you better  
Feet up on your couch  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Slap a bitch like Rick James  
I'm Rick James  
I can see the picture shattered  
We can't pick the pieces of the ground  
Till the point that nothing matters  
And it's way too late to talk it out  
Oooh Bring em now now now now  
Oooh right now now now now  
Oooh Bring em now now now now  
Oooh right now now now now Why does it matter now  
Who can do you better  
Feet up on your couch  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James

Yeah bitch I'm Rick James  
Slap a bitch like Rick James  
I'm Rick James Dog shorty out  
And you gon' pay for it later  
Baby girl more cutthroat than a razor  
She know what she want  
And she know how to get it  
Shorty know the game  
Nah, nigga, you can't play her  
She bad, lookin' like a bag of money  
Make her own bread  
Fat ass and flat stomach  
She know she ain't ever gotta ask for nothin'  
These chicks hatin' cause they ain't half the woman  
Shawty came home and starting runnin' his mouth  
He took his earrings off and got ratchet  
Homeboy know lil' mama don't play he just grab the shit and starting packin'  
Broke her heart homie, Now yo life in a change  
She cold blooded like she got ice in his veins  
Got me chillin' in your house  
Throwin' diamonds on your spouse  
While my feet in your couch  
Bitch I'm rick james Why does it matter now  
Who can do you better  
Feet up on your couch  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Slap a bitch like Rick James  
I'm Rick James Why does it matter now  
Who can do you better  
Feet up on your couch  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Yeah bitch I'm Rick James  
Slap a bitch like Rick James  
I'm Rick James
