As I Am

H.E.R.

It's like the morning time
Don't wanna wave goodbye
Just wanna stay in bed
But if I'm next to you
I'm lookin' forward to
Just laying in this bedOoh, that never gets old
Promise you'll never let go
I don't want no one else
So we should be chilling back
Ain't nothing wrong with that
So tell me that, tell me that
Tell me I'm the best, I am
I'll be feeling like, yes, I am, I am
You know I'm the best, I am
Be a fool to not take me as I am
Tell me I'm the best, I am
I'll be feeling like, yes, I am, I am
You know I'm the best, I am
He'd be a fool to not take me as I amYou're like the sweetest thing I know
Like my favorite Lauren song
And I need you really bad (oh, yeah)
Don't take me for granted
You'll be regretting it
Oh, I should be your last, ooh yeah
Ooh, that never gets old
Promise you'll never let go
Grass ain't green nowhere else
So we should be chilling back
Ain't nothin' wrong with that
So tell me that, tell me thatTell me I'm the best, I am (I am)
I'll be feelin' like, yes, I am, I am
You know I'm the best, I am
Be a fool to not take me as I am
Tell me I'm the best, I am
I'll be feelin' like, yes, I am, I am
You know I'm the best, I am
He'd be a fool to not take me as I am, I amI am
Take me, take meTell me I'm the best, I am (I am)
I'll be feelin' like, yes, I am, I am
You know I'm the best, I am
Be a fool to not take me as I am
Tell me I'm the best, I am

I'll be feelin' like, yes, I am, I am
You know I'm the best, I am
He'd be a fool to not take me as I am, I am
