

# I Don't Want to Change the World

Ozzy Osbourne

Standing at the crossroads,  
World spinning round and round  
Know which way I'm going,  
You can't bring me down  
Don't you try and teach me no original sin  
I don't need your pity for the shape I'm in I don't wanna change the world  
I don't want the world to change me  
I don't want to change the world  
I don't want to world to change me Tell me I'm a sinner I got news for you  
I spoke to God this morning and he don't like you  
For telling all the people the original sin  
He says he knows you better than you'll ever know him  
I don't wanna change the world  
I don't want the world to change me  
I don't want to change the world  
I don't want to world to change me You know it ain't easy  
You know it ain't fair  
So don't try and please me  
Because I really don't care Don't tell me stories  
'Cause yesterday's glories  
Have gone away, so far away  
I've heard it said there's light up ahead  
Lord I hope and pray  
I'm here to stay Tell me I'm a sinner I got news for you  
I spoke to God this morning and he don't like you  
Don't you try and teach me no original sin  
I don't need your pity for the shape I'm in  
I don't wanna change the world  
I don't want the world to change me  
I don't want to change the world  
I don't want to world to change me  
I don't wanna change the world  
I don't want the world to change me  
I don't want to change the world  
I don't want to world to change me
