And get togetha, school, whateva that'll do
I don't really know, but I fo show me where dat bull
Shit to get me through

Goodness I should do this with a bow tie
Turn it 'till it's prefect with a bold size
Jerr it won't be worth it but it's all mineOoh
I'm about it all
I'm about the big

Cause like it really ain't
Like it's in yo' brain!
I'm amazed that every day is made so plain
So I'ma break the chain
And stage a feign campaign

Hide me if you feel me
Cause I feel real wood
