## Just a Dream

## **Nelly**

I was thinking 'bout her, thinking 'bout me Thinking 'bout us, what we gonna be? Open my eyes, yeah, it was only just a dream So I travelled back, down that road Will she come back? No one knows

I realize, yeah, it was only just a dreamI was at the top and now it's like I'm in the basement Number one spot and now she find her a replacement

I swear now I can't take it, knowing somebody's got my baby

And now you ain't around baby I can't think

I should've put it down, should've got the ring

'Cause I can still feel it in the air

See her pretty face, run my fingers through her hair

My lover, my life, my shawty, my wife

She left me, I'm tied

'Cause I knew that it just ain't right

I was thinking 'bout her, thinking 'bout me

Thinking 'bout us, what we gonna be?

Open my eyes, yeah, it was only just a dream

So I travelled back, down that road

Will she come back? No one knows

I realize, yeah, it was only just a dreamWhen I be ridin', man, I swear I see her face at every turn
Tryna get my Usher over I can't let it burn

And I just hope she know that she the only one I yearn for

More and more I miss her, when will I learn?

Didn't give her all my love, I guess now I got my payback

Now I'm in the club thinking all about my baby

Hey, she was so easy to love

But wait, I guess that love wasn't enough

I'm going through it every time that I'm alone

And now I'm missing, wishing she'd pick up the phone

But she made the decision that she wanted to move on

'Cause I was wrong

And I was thinking 'bout her, thinking 'bout me

Thinking 'bout us, what we gonna be?

Open my eyes, yeah, it was only just a dream

So I travelled back, down that road

Will she come back? No one knows

I realize, yeah, it was only just a dreamIf you ever loved somebody put your hands up

If you ever loved somebody put your hands up

And now they're gone and you're wishing you could give them everything

Said if you ever loved somebody put your hands up

If you ever loved somebody put your hands up

Now they're gone and you're wishing you could give them everything I was thinking 'bout her, thinking 'bout me

Thinking 'bout us, what we gonna be?

Open my eyes, yeah, it was only just a dream

So I travelled back, down that road

Will she come back? No one knows

I realize, yeah, it was only just a dream

I was thinking 'bout her, thinking 'bout me

Thinking 'bout us, what we gonna be?

Open my eyes, yeah, it was only just a dream

So I travelled back, down that road

Will she come back? No one knows

I realize, yeah, it was only just a dream
