

For the First Time

[Kenny Chesney](#)

There's somethin' sacred when your 17
'Bout a football jacket and a high school ring
And it sure looked nice
When you wore mine That late October at the homecoming dance
We slipped outside
And we took a chance
In the middle of the night
It sure felt right We let go right then and there
We were loved and we were scared
For the first time
Loving blind we dove right in
For the first time
We gave everything and then
Graduation came
And our dreams called our names
With broken hearts we moved on with our lives
For the first time
Well I heard the other day
You're a Sunday school teacher got the P.T.A.
Got a real good life
You're a real good wife
I'm livin' in this circus world
No I ain't married but I got a girl
And I'm her man
And we're makin' plans
But I still smile when I think of us
Together we learned how to love For the first time
Loving blind we dove right in
For the first time
We gave everything and then
Graduation came
And our dreams called our names
With broken hearts we moved on with our lives
For the first time
Oh, graduation came
And our dreams called our names
With broken hearts we moved on with our lives
For the first time For the first time
Loving blind we dove right in
For the first time
We gave everything and then
For the first time

Qe moved on with our lives
For the first time... bane!
