

# We Are Here

Alicia Keys

We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here  
We are here Bombs over Baghdad, tryna get somethin we ain't never had  
Let's start with a good dad  
So real but it's so sad  
And while we burnin' this incense, we gon' pray for the innocent  
Cause right now it don't make sense  
Right now it don't make sense  
Let's talk about Chi Town  
Let's talk about Gaza  
Let's talk about, let's talk about Israel  
Cause right now it's real  
Let's talk about, let's talk Nigeria  
In a mass hysteria, yeah  
Our souls were brought together so that we could love each other, brother  
We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here  
We are here No guns made in Harlem, but yet crime is a problem  
He wanna shine, they wanna rob him  
Single mother, where they come from?  
How we gonna save the nation, with no support for education  
Cause right now it don't make sense  
Right now it don't make sense  
Let's talk about our part  
My heart touch your heart  
Let's talk about, let's talk about living  
Had enough of dying, not what we all about  
Let's do more giving  
Do more forgiving, yeah  
Our souls were brought together so that we could love each other, sister  
We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here  
We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here

We are here  
Ohh oh oh, Ohhh oh oh oh
