Who's Laughing Now (Breathe Carolina Remix)

Ava Max

Never knew this thing, never stranger
Never fucked the words like a razor
But I won't give a damn, not bout it
All the little things doesn't matter
Writing down a brand new chapter
When there's only love, never angerSo lonely in your bed
Does breaking me make you feel good?
Guess you don't understand
What goes around, comes around
Don't ya know that I'm stronger
Don't ya see me in all black
Don't ya cry like a baby
Ha-ha-ha-ha, ha-ha-ha
Who's laughing now?
Know that it's over
Don't ya know I won't call back
Don't ya cry like a baby
Ha-ha-ha-ha, ha-ha-ha
Who's laughing now?You'll never see me blue, never bleeding
Hope you understand how I'm feeling
I'm turning off my phone like I'm leaving (Bye)
Pushed me to the edge, now it's over
Shutting off the headgate closure
This will be the dust when I'm older, uh
So lonely in your bed
Does breaking me make you feel good?
Guess you don't understand
What goes around, comes aroundDon't ya know that I'm stronger
Don't ya see me in all black
Don't ya cry like a baby
Ha-ha-ha-ha, ha-ha-ha
Who's laughing now?
Know that it's over
Don't ya know I won't call back
Don't ya cry like a baby
Ha-ha-ha-ha, ha-ha-ha
Who's laughing now?Ha-ha-ha-ha, ha-ha-ha-ha-ha
Ha-ha-ha-ha, ha-ha-ha
Who's laughing now?It's comical, hysterical
So ridiculous, think you messed me up

(Ahhahahaha...)Don't ya know that I'm stronger
Don't ya see me in all black
Don't ya cry like a baby
Ha-ha-ha-ha, ha-ha-ha
Who's laughing now?
Know that it's over
Don't ya know I won't call back
Don't ya cry like a baby
Ha-ha-ha-ha, ha-ha-ha
Who's laughing now?
