MIKNNA

i cant make you
want to love me
love me the way i do
and you cant make me
want to love you
love you the way i doused to pop that booty like a pro
used to love it when i hit from the back like that
we used to do it 3 times in a row
i know you remmber you do right there
now you blowing me up on my phone
telling me ive been gone way too long
you can leave a message on the tone
sorry but i need to be alone right now
know that i miss you
not tryna diss
thats not the issue right now
cant be with you
eventhough i know
i really need you right now
know that i miss you
not tryna diss
thats not the issue right now
cant be with you
eventhough i know
i really need you right now
i cant make you
want to love me
love me the way i do
and you cant make me
want to love you
love you the way i do
