4th of July (Calvin Harris Remix)

Kelis

Didn't think I needed you
Never seemed to
But I'm living proofAnd now I'm brand new
Rename me
Baby, claim meI've been changed, see
You make me hold up
You make me hold upDidn't think I needed you
Never seemed to
But I'm living proofNothing I'll ever say or do
Will be as good as loving you
Nothing I'll ever say or do
Will be as good as loving you
Nothing I'll ever say or do
Will be as good as loving you
Nothing I'll ever say or do
Will be as good as loving youYou make me high
You make me high
You make me high
(And I don't wanna come down, down)
You make me high
(I don't wanna come down, down)You make me high
(And I don't wanna come down, down)
You make me high
(I don't wanna come down, down)
You make meDidn't think I needed you
Never seemed to
But I'm living proof
And now I'm brand new
Rename me
Baby, claim meI've been changed, see
You make me hold up
You make me hold upDidn't think I needed you
Never seemed to
But I'm living proofDidn't think I needed you
Never seemed to
But I'm living proofAnd now I'm brand new
Rename me
Baby, claim meI've been changed, see
You make me hold up
You make me hold upDidn't think I needed you
Never seemed to
But I'm living proofNothing I'll ever say or do

Will be as good as loving you
Nothing I'll ever say or do
Will be as good as loving youNothing I'll ever say or do
Will be as good as loving you
Nothing I'll ever say or do
Will be as good as loving youYou make me high
You make me high
You make me high
(And I don't wanna come down, down)
You make me high
(I don't wanna come down, down)You make me high
(And I don't wanna come down, down)
You make me high
(I don't wanna come down, down)
You make meJust like the sky, like the 4th of July
Just like the sky, like the 4th of July
Just like the sky, like the 4th of July
Just like the sky, like the 4th of JulyYou make me high
Just like the sky, like the 4th of July
You make me high
Just like the sky, like the 4th of JulyYou make me high
Just like the sky, like the 4th of July
You make me high
Just like the sky, like the 4th of July
(And I don't wanna come down, down)You make me high
