

Heavy Metal Love

Helix

Got me a baby she's hard as nails
She's my, heavy metal loveShe plays guitar like the ring of a bell
She's my, heavy metal loveLeather and lace you know what i found
She's my, heavy metal loveWhen the lights go up, she gets down
She's my, heavy metal loveI like the caress of steel
It's the hard edge that i feel
Heavy metal love
She's my, heavy metal love
Oh yeah, heavy metal love
She's my, heavy metal loveShe's not the kinda girl you bring home to mom
She's my, heavy metal loveShe's dirty, mean but she's lots of fun
She's my, heavy metal loveI like the caress of steel
It's the hard edge that i feelHeavy metal love
She's my, heavy metal love
Oh yeah, heavy metal love
She's my, heavy metal love
Heavy metal love
She's my, heavy metal love
Oh yeah, heavy metal love
She's my, heavy metal love
Heavy metal love
She's my, heavy metal love
Oh yeah, heavy metal love
She's my, heavy metal love
Heavy metal love
She's my, heavy metal love
Oh yeah, heavy metal love
She's my, heavy metal love
