

# Where Are You Now (feat. Bright Lights)

## Zeds Dead & Dirtyphonics

You flip my mind up  
Upside down  
The words begin but they  
they won't come out.  
I've been blinded.  
I've been trying to get to you.  
You've been hiding  
And I want the truth.  
Where are you now?  
Where are you now?  
Where are you now?  
I don't know where you've been  
I don't know where you go.  
But I know where you belong.  
Yes, I know where you belong.  
Where are you now?  
But I know where you belong.  
Yes, I know where you belong.  
I don't know where you've been  
I don't know where you go.  
But I know where you belong.  
Baby my heart is my heart is your home.  
Nobody knows you, not like me.  
You got two good eyes but you still don't see  
that you've been blinded.  
I've been trying  
to get to you.  
You've been hiding.  
And I want the truth.  
Where are you now?  
Where are you now?  
Where are you now?  
I don't know where you've been  
I don't know where you go.  
But I know where you belong.  
Yes I know where you belong.  
Where are you now?  
But I know where you belong.  
Yes I know where you belong.  
Where are you now?
