

Lemon Trees (feat. D Double E)

Swindle

[Hook: I. Cronin & Terri Walker]

Lemon trees, lime trees, palm trees

Lemon trees, lime trees, palm trees

Lemon trees, lime trees and palm trees

Lemon trees, lime trees and palm trees[Intro: D Double E]

Oh my word

It's who-who?

It's me-me

Budubupbup, budubupbup

[Hook: I. Cronin & Terri Walker]

Lemon trees, lime trees, palm trees

Lemon trees, lime trees, palm trees

Lemon trees, lime trees and palm trees

Lemon trees, lime trees and palm trees

[Verse 1: D Double E]

I'm not gonna lie

When I perform, I'm normally high

When it comes to etting high, I'm that guy

I'm high like birds in the sky

So why would I buy your ting when I

Get high off my own supply?

It's a magical lemon and cheese

I bet that'll put you to sleep with ease

Who said money don't grow on trees?

One Z looks like half a B

You can't get the line, it's too much P

That's why more time, when you see me

If you look deep in my eye, you'll see

I'm feeling L-I-V to the E cause

That's the V-I-B to the E

That's the V-I-B to the E

[Hook: I. Cronin & Terri Walker]

Lemon trees, lime trees, palm trees

Lemon trees, lime trees, palm trees

Lemon trees, lime trees and palm trees

Lemon trees, lime trees and palm trees

Lemon trees, lime trees, palm trees

Lemon trees, lime trees, palm trees

Lemon trees, lime trees and palm trees

Lemon trees, lime trees and palm trees[Verse 2: D Double E]

Smell the aroma

That zoot has me in a coma

I was in the corner getting a boner
With a thick ting that looks like Leona
Swindle comes over
With the BACARDI and cola
I thought I was sober
Till I nearly fell over
