

# Glass House

## Red

We deceive the world with lies we hide  
Behind the smiles we can see the home of desperate hearts  
The truth is falling down  
The illusion we've become  
A fear we can't outrun  
We're closing in our emptiness  
We're broken  
You alone You can see right through this glass house we call home  
You alone  
You can take away the pain  
Yeah, you have shown  
You can break right through this glass house of our souls  
Make us whole again  
Make us whole  
We fight to cover up the scars  
From our charade there's a war between who we are  
Until we make believe  
It's over now  
We're falling  
You alone  
You can see right through this glass house we call home  
You alone You can take away the pain  
Yeah, you have shown  
You can break right through this glass house of our souls  
Make us whole again  
Make us whole  
(Bridge)  
I'm running to escape the walls that trapped this heart in  
The door is open, please come save me  
Never want to hide behind the scars that I've become  
That I've become  
Because you alone  
You can take away the pain  
Yeah, you have shown  
You can find a way to change You alone  
You can see right through this glass house of our souls  
Make us whole again  
Make us whole  
Make us whole again
