

When I Fall In Love (feat. Michael Bublé)

Boyz II Men

Boyz II Men & Michael Buble Just to make you smile simply makes me smile
Cos today could mean forever When I fall in love it will be forever

Or I'll never fall in love
In a restless world like this is
Love has ended before it's begun
And too many moonlight kisses
They seem to cool in the warmth of the sun, oh yeah
When I give my heart it will be completely
Or I'll never give my heart, yeah
And the moment I can feel that
You feel that way too

Is when I, when I fall in love with you When I fall in love it will be forever

Or I'll never fall in love
In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun
And the moment I can feel that
You feel the same way too
When I fall in love
Oh yeah, when I fall in love

Is when I fall in love with you, you, you, you, you
